Zoning & Building Permits General Conditions
Temporary Construction Controls

- By signing this permit application the property owner/agent agrees to comply with the Town of Hanover Zoning Ordinance and Building Code Adopting Ordinance.
- Use/Installation of temporary construction controls is not authorized until a Permit Card is issued by the Code Official.
- Electrical work must be inspected before energized.
- This permit may be revoked in accordance with Appendix C of the Building Code Adopting Ordinance.
- Temporary Controls Permits may be issued for a period not exceeding one year provided such permits are conditioned upon agreement by the property owner to remove temporary structure(s) or use(s) upon permit expiration. Such permits may be renewed upon application for an additional year, as long as construction is active.
- At the completion of the project, the owner/applicant shall confirm in writing to the Planning & Zoning Office that all temporary construction controls have been removed from the site.
- Any changes to the use/location of temporary controls must be submitted in writing for review and approval before work proceeds.

Owner/Agent Signature ________________________________

The Zoning Administrator shall act upon an application within fifteen (15) days after it has been filed. The Building Inspector shall act upon an application within 30 days of receipt of a completed application, and only after the Zoning Administrator determines that the proposed project complies with the Hanover Zoning Ordinance.
