FINGERPRINT SERVICES SUSPENDED

The Hanover Police Department is suspending fingerprint services for background checks effective immediately until March 31, 2020.

Following the recommendations for social distancing and concerns for the safety of our staff and the general public regarding COVID-19, we have suspended this service. As you know, this situation is fluid and we will continue to monitor it and make the necessary adjustments to reinstate or extend the suspension.

During this time, the State of NH Division of State Police maintains seven applicant livescan sites providing fingerprint services in Concord, Manchester, Dover, Keene, Tamworth, Twin Mountain and Salem, New Hampshire. It is recommended that you call to make an appointment (603) 223-3867 and check on the availability of services.

For your convenience, see the below link to the NH State Police Criminal Records Division for more information about their fingerprint services:
