Information about the Home Performance with ENERGY STAR program

Increase your home's value and save on your energy bills by taking advantage of the Home Performance with ENERGY STAR program.

Visit NHSaves.com/homeheating to test your home's level of energy efficiency to see if you qualify.

- You may be eligible for a \$450 home energy audit at a cost of just \$100.
- You may also receive an instant rebate of 50% up to \$4000 for energy improvements.
- You could also save up to 20% on heating and cooling bills.
