GAS/OIL PERMIT INSTRUCTIONS

A permit application must be filled out and returned to the Fire Department for review and processing, along with payment (*see permit fee scheduled below*). Once the application has been processed, a permit number will be issued and authorization will be given for the installation of the equipment.

Once the installation is complete, please contact the Hanover Fire Department at 640-3341 to schedule an inspection. The file will remain open until the inspection is complete.

Please note that it is best to call a week in advance to schedule the inspection.
