

# River Trail Open

## ADA Improvements Completed

The upgrades to 3,700 feet of the River Trail (highlighted in red, below) are complete. This segment of the trail is now a fully accessible, ADA compliant trail. Final parking lot grading and signage will be completed soon. Please contact Robert Houseman, Director of Planning Zoning, and Codes, at 603-640-3212 if you have any questions regarding this project.
